Hot Water Energy Storage  
UK and Ireland

# Make an informed specification...

...with Kingspan's CIBSE Accredited Cylinders CPD

Our CPD - **An Introduction to Hot Water Cylinders**, is specifically designed to empower specifiers of domestic hot water systems, so you can choose the right solution for your application.

To book a free CPD seminar, or book a consultation with one of our hot water experts, just email: [hotwater@kingspan.com](mailto:hotwater@kingspan.com) or call **0345 260 0258**
