Humidity Management SYSTEMS

for a healthier business

CARR

MARKETING

LIMITED

Distribution Sales & Service for

CARR MARKETING LIMITED has over 25 years experience in air humidity management. The company's Managing Director Ray Carr is well known in the industry for his expertise in planning and specifying systems for a variety of industrial and commercial applications.

Carr Marketing's clients benefit from a high level of technical support throughout the planning, specifying, commissioning and installation processes.

Carr Marketing can contribute at any stage of the buying process, giving advice to consulting engineers, design engineers, specifiers, contractors and end users direct, as required.

Carr Marketing provides clients with a first-class pre and after-sales service. Spare parts are available for all equipment, the majority on a 24 hour delivery. Most products carry a 2-year limited warranty.

For full technical specifications of all products in this brochure, or further information on the services offered by Carr Marketing, please contact:
